

Zagster
a better way to bike

We're excited to announce the launch of Zagster bike sharing at **Eastgate!** Whether you want to take a healthy work break, visit your favorite lunch spot, or just enjoy the feel of wind in your hair—Zagster bike sharing is perfect for riders of all levels.

Using a bike is easy. Just download the Zagster mobile app to create an account, unlock, and ride! You can also use the app to:

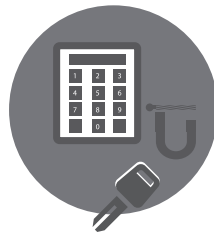

- Extend your bike rental time
- Find local restaurants and attractions within biking distance
- Obtain directions to your destination

Bike sharing is open to all Eastgate employees. Rides under 4 hours are **FREE!**

1 Borrow

Enter your bike's number into the app and tap **START RIDE**. You'll get a code to open the lockbox.

3 Ride

Have fun and ride safe! Use the U-lock to keep the bike secure if you make stops along the way. Your lockbox code will continue to work during your ride.

You can also borrow bikes by text message. Text "SMS" to 202-999-3924 for instructions.

2 Unlock

Use the key from inside the lockbox to operate the U-lock that attaches the bike to its station. Make sure to close the lockbox before you ride.

When you're finished riding, remember to end the ride on your mobile app.
